INTRODUCTION AND HOUSEKEEPING MATTERS

Following our established practice, we are hereby making available to Workshop participants a copy of the papers to be presented (in highly condensed form) at this year's Annual Workshop. Not all the papers appear in this volume. Those that have not reached us in time will, if possible, be distributed during the Workshop.

You will appreciate that the papers are still only in draft form and that in any event the copyright belongs to the authors. The papers may not therefore be cited or redistributed without the Workshop's and the individual author's consent. As in earlier years, we expect to arrange for the publication of the final version of the papers and the comments on them.

Two other matters. First, if you are entitled to a travel grant please pick up at the registration desk the University of Toronto travel reimbursement form prepared in your name and return the signed document to my secretary or me as soon as convenient either during or after the Workshop together with *original* supporting voucher(s). Second, if you are joining us for the Reception and Annual Dinner at Hart House on Friday evening please check the list at the registration desk to make sure that your name is on it. If it is not, please so advise Dace Veinberga promptly at the desk.

Welcome to the 25th Annual Workshop!
